Young's Market Company Policies & Procedures

- Young's Market Company reserves the right to correct any price and/or discount due to errors or other circumstances beyond our control.
- A minimum order of \$350.00 is required to ensure prompt delivery. Please order accordingly, and allow for the possible deletion of severely allocated items from any order.
- Young's Market Company cannot fill every order received. Rare, hard-to-get or allocated items will be shipped in as fair a manner as possible. This is especially difficult when an order must lose a quantity discount because an item is unavailable. Please allow for an alternative item(s) to be shipped in place of rare, hard-to-get or severely allocated items to keep quantity discounts intact.
- Mixers, non-alcoholic items and items on inventory reduction and close-outs do not assort for regular discounting.
- Delivery Charge: All deliveries are subject to a \$3.00 delivery charge.
- In accordance with California Business and Professions Code 25509, any account with a balance outstanding after 30 days must make payment in advance of delivery. Any balance outstanding after 42 days will be assessed a late charge of 2% per month.
- All returned checks will be subject to a \$20.00 service charge.
- A broken-case charge of \$19.20 per case will be assessed and is subject to change without notice.
- Beer and many non-alcoholic items are subject to a California Beverage Recycling and Litter Reduction Act charge.
- Reproduction in part or in whole of this material without permission from Young's Market Company is strictly prohibited.
- All prices, terms, policies and procedures are void where prohibited by law.
